2. First Author, "Book Title," Publisher, year.

Formatting Tips in MS Word:

- For section titles, select the text, set font to Times New Roman, and bold if necessary.
- Use the Font Size option for each section: 14 pt for the title, 10 pt for authors/emails/references, 12 pt for the main abstract body.
- Center the title/authors/emails using the center alignment button; justify the main body; left-align the references.
